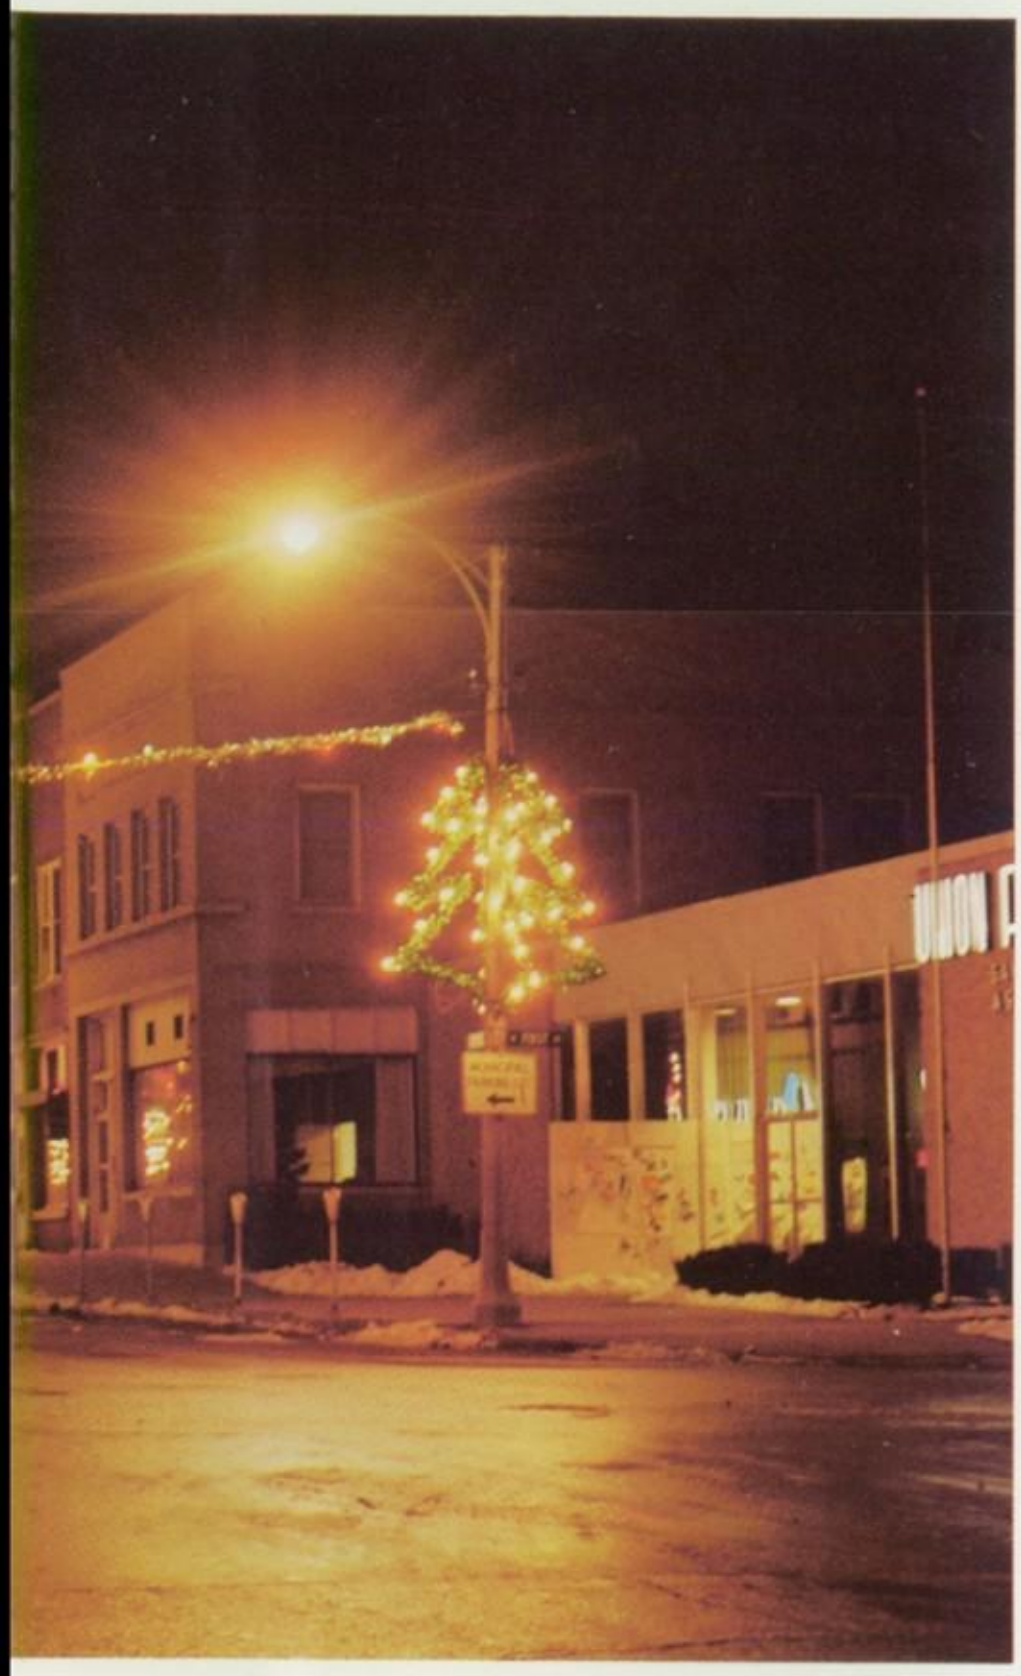
Wethersfield High
Kewanee, Illinois

Kewanee can be proud not only of the beautiful displays of the downtown area,



WHS—

A Going School . . . in a Growing Community

but also of its expansion in other creative fields.

Kewanee's face is changing with modern facilities for transportation, recreation, and communication. New developments in industry, commerce, housing, and suhreebersac add to the new look, with Wethersfield High School representing the education phase of this city-wide expansion. We at W.H.S. are caught up in the fury of this progressive spirit. This is a journal of a going school in a growing community . . .

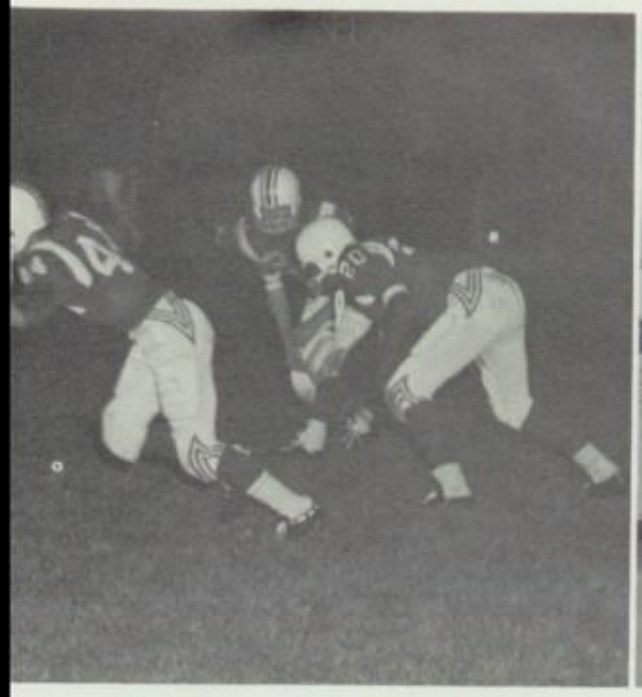
PACESETTER

The curtain goes up at the world premier of the faculty Christmas skit.

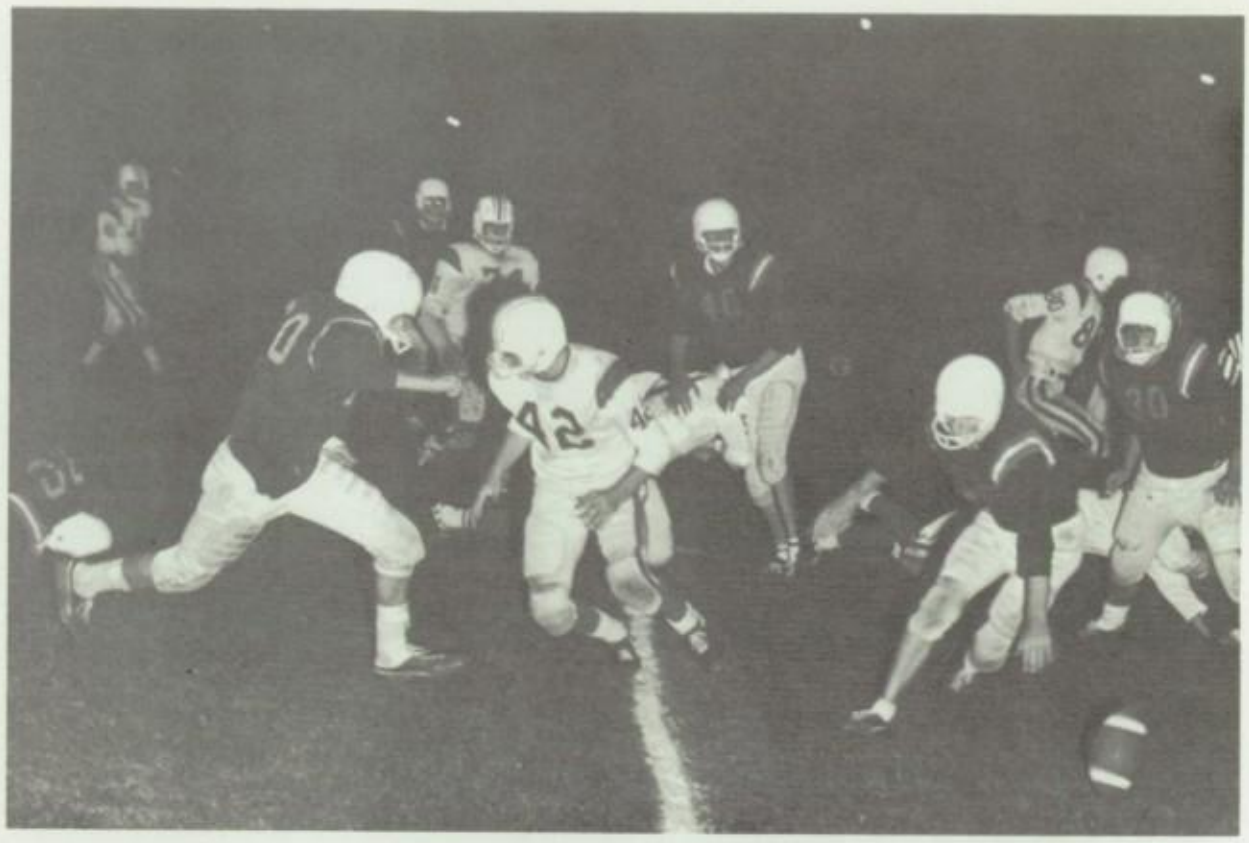
The varied activities at W.H.S. are designed to provide an overall background to prepare the student for a significant role, to be educated, to be social, and to be of service in the community. In this way Wethersfield fulfills a vital function, contributing to the well-being of Kewanee.



Our vivacious varsity cheerleaders, Kris Koehler, Mary Beth Price, Cathy Goode, Paula Lauterborn, and Myrna McNeill, guide us in support of our team.

Our frolicking fresh-soph cheerleaders, Gloria Grove, Susan Johnson, Debbie Mason, Cindy Newman, and Kathy Jones, contribute their talents to generating enthusiasm among the fans.

The students of WHS commence the three-day festival with the presentation of the long awaited Homecoming skits. By means of a snake dance about the campus, the students proceed to the site of the traditional bonfire. Heralding in the second day of the Homecoming festivities, Queen Mary and her court preside over the procession which features some of the finest floats ever. Our victorious team rides gallantly in this parade.



A spirit of co-operation permeates the air as the festive occasion draws near. Students build elaborate floats and write grand plays for presentation to a boisterous student body. Our devastating queen reigns over all. The football team gallops to victory, exceeding the farthest horizons of anticipation. Activities end in a burst of color at the "Golden Autumn" dance. For everyone who participates, the Homecoming is a welcome and joyous occasion, providing an opportunity for fun.

FOOTBALL . . .

Accompanied by the rousing cheers of the students and alumni of Wethersfield High School, our mighty football squad battles to overwhelming success. Under the capable leadership of coaches Brownfield and Peterson, the guidance of co-captains Cruse and Johnson, combined with the tenacity of the football players, our team earns a co-championship of the Blackhawk Conference. Players who are outstanding in gridiron action are given stars to wear on their helmets. These stars are indicative of the stars on our team.

Cross-Country

An addition to the sports department this year is the fall sport, cross-country. Cross-country is a sport involving a great deal of endurance since it is run over rough terrain at a length of 1.5 to 2.0 miles. The Annawan Invitational Meet and the Kewanee Invitational Meet are two of the main events of the season. Coach Keller and the boys on the team are planning for an even more successful season next year.

Golf

Under the guidance of Coach Keller, several golf enthusiasts from W.H.S. take up the sport competitively. The boys on the team are all given season tickets to the Baker Park Golf Course in order that they may practice as often as they wish. In its first season the team plays against such schools as Morrison, Princeton, Prophetstown, Erie, and in the Moline District Tournament. With the return of the top five golfers, Coach Keller anticipates another fine year in 1968.

Mark Goodwin, Bart Pillen, Jerry Domzalski, Steve Workman.

U.M.O.C. Was Here

Who is the vilest, most repulsive and dreadful person at W.H.S.? Who is the Ugliest Man on Campus? To find out, the Quill staff sponsors a contest. Each class selects a boy to be its "Ugly Man."

The candidates and their respective make-up committees meet at the school. Using whatever ingredients they wish, each group creates an "Ugly Man" by the use of various foods producing the most gruesome face possible.

The student body casts penny votes for an entire week. As the pennies mount higher so does the spirit of anticipation which is present in nearly every student.

The Quill staff sponsors a dance at the end of the week as a climax to the contest. At this dance, our winner, Senior Steve Workman, is presented with a gift certificate and the picture which won him the title of "Ugliest Man on Campus."

A Very Good Year

Good is not the word to describe our Flying Geese basketball team. Try fabulous, astounding, and colossal. Coach Keller, in his first year at W.H.S., earns a 10-3 Blackhawk record for the No. 3 berth in conference standings. In capturing the Regional Tourney, the Geese down the Neponset Zephyrs, drub the arch-rival Kewanee Boilermakers, 77 to 49, and gain sweet revenge from the Dunlap Eagles.

The future looks bright for the Flying Geese, due to Coach Peterson's Frosh-Soph team, sweeping over their foes for an undefeated conference season. All in all--a very good year.

Our Leisure Time

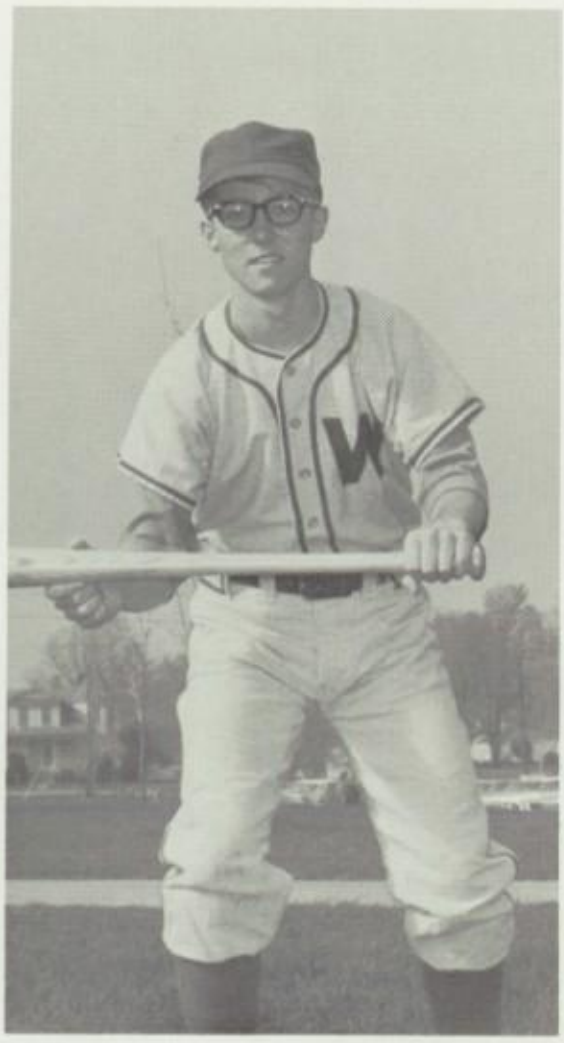
From a stylish fox trot to a bouncy Latin-American cha cha, the students of W.H.S., with the help of their skillful instructors, the Wayne Cunninghams, learn the basic steps in ballroom dancing. At the end of these lessons the students demonstrate their ability to dance at a Hawaiian Luau, where they dress in the native costume of this island.

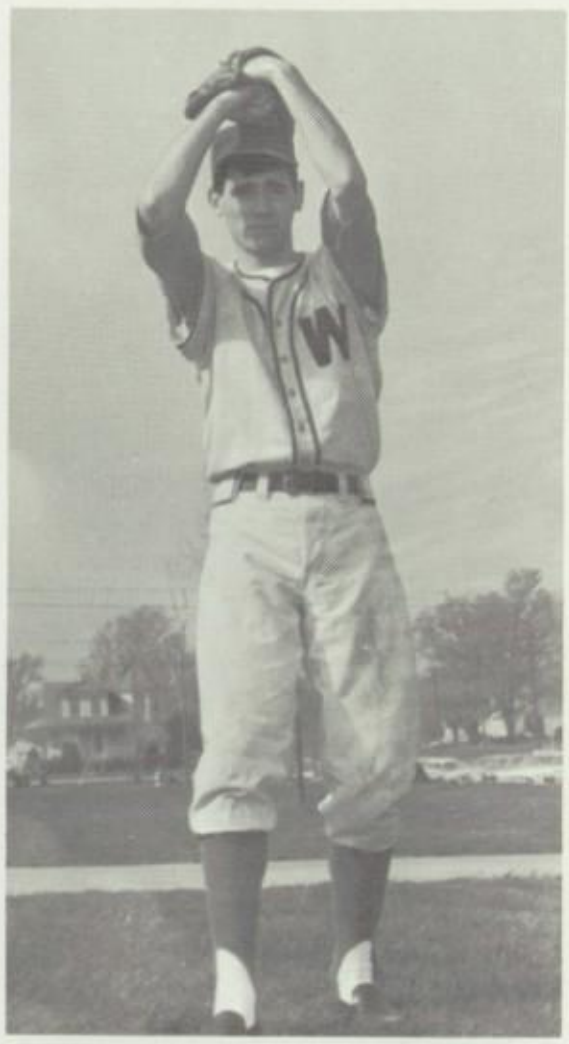
Among the other extra-curricular activities of the students are sports, assemblies, and social hours, which provide an entertainment outlet for the students during their spare time.

An azure ceiling and gates of gold combine with lilting music and starry-eyed maids to produce "A LITTLE BIT OF HEAVEN." The Class of '69' creates this image for the annual Midwinter Formal Dance. The evening could not be more enjoyable, and each couple retains memories of the night they danced in "A LITTLE BIT OF HEAVEN."

Track

Coach Brownfield's track and field squad is hindered this year by uncooperative spring weather, making it somewhat difficult for the boys on the team to practice their events regularly. Nonetheless, the team must meet its usual conference rivals plus competing in special events such as the Galva and Normal Relays.





Baseball

The crack of the bat and the roar of the crowd are sounds of springtime at W.H.S. The baseball team, under Coach Peterson, practices daily in order to play their finest against all foes in the best tradition of our school. The team is fortunate in having strength in its pitching staff and in the batting department. Combining these elements gives a team all that is necessary for a successful season.

Faculty

It takes more than a good student body to make a great school like W.H.S. We are fortunate to have a capable faculty and an efficient administration which provide the leadership necessary to create a proper educational atmosphere. The administration furnishes us with a comfortable building and the latest in equipment and learning aids. A variety of subjects is taught by the hard-working and devoted faculty. The firm conditions under which we study are obvious results of the efforts of these people. Such things as the sportsmanship displayed by the student body are not so obvious but still reflect, perhaps even better, the work done by our faculty and administration in improving every facet of Wethersfield High School.

Student Council

The student governing body at Wethersfield High School is the Student Council. Composed of representatives from the four classes and the many organizations, the Council holds regular meetings to discuss a variety of subjects. In addition, several social hours and a number of money-making projects are sponsored by the Student Council to provide the funds to support the A.F.S. program at W.H.S. The candy machine in the student lounge is another financial contributor to this important program. As a special feature of A.F.S. week, exchange students from the surrounding area present a panel discussion for the W.H.S. body. The pictures of the exchange students in the hall symbolize the progress of the A.F.S. program.

A.F.S. from Brazil

On August 2, 1966, I boarded an airplane at Rio de Janeiro, bound for New York. One of the greatest years of my life had started. Three days later I arrived in Davenport, Iowa and I met my American family. Soon I knew that A.F.S. had selected the best American family for me.

To my American family I want to say a special "Thank you" for opening your home and receiving me as a real daughter and sister.

I want to say "Thank you" also to the Student Council and to all the students who helped to give me such a wonderful opportunity. I love the United States as much as I love my own country, and I hope that someday some of you can go to Brazil and enjoy your visit there as much as I have enjoyed my visit here.

In Brazil I live in Tupa, in Sao Paulo state. It's a very young town (27 years old) and has a population of 30,000. My father works at the telephone company and he has a bookkeeping office too. My mother is a housewife. I have two sisters, who are both high school teachers and three brothers. I myself intend to return home, attend college, and become an English teacher. Together, we compose the Vieira family.

I will take with me the best impression of the United States, of Wethersfield High School, of my American family, and of you: my friends! I will never forget how great you are, and how much fun it was to have been with you this year. Thank you very much principal, teachers, and students of the great "Home of the Flying Geese." I wish someday to come back to this wonderful Wethersfield High School.

Elaine Vieira

My Brazilian family.

My Brazilian school.

A.F.S. to Uruguay

Consider a land of pleasant surroundings, temperate climate, large flat pasture lands, a continuous chain of beaches along the coast, and wonderfully warm, friendly people. This is the country of Uruguay where I, along with 17 other Americans, lived for two glorious months.

My new-found home was with the Francisco Llanos in the famous resort of Punta del Este, the Riviera of South America. My foster father was a businessman, fluent in not only Spanish but French and English as well, and with my mother, 18-year-old sister, Patsy, 16-year-old brother, he made my eight weeks in Uruguay the most exciting of my life.

In Punta del Este, I lived as a Uruguayan. I attended their school (although the only class I understood well was English!) and their social activities, which sometimes last until 4 o'clock in the morning. My wonderful parents and friends showed me much of the country including the cattle ranches with the Gauchos (Uruguayan cowboys), the capitol city of Montevideo and many more areas typical of the country.

The summer was a fabulous, but all too short, experience. On August 26, the A.F.Sers in Uruguay bid a sad farewell to our families, and boarded the plane that would bring us back to the U.S.A.

It is a hearty thanks I give the Student Council and A.F.S. for making it all possible. I only wish that everyone could have a similar experience.

Buena suerte al todo des ustedes.

Jim Lundberg

"Walk together, talk together, then ye shall have peace . . ."

The American Field Service program at W.H.S. is nine years old. Its success is due to the financial backing of the Student Council and the efforts of the A.F.S. Committee. We are proud and pleased that these people have worked so hard to bring this program to us. This year's A.F.S. committee includes: Mr. B. Balsis, Mr. C. Bickhaus, Miss F. Brown, Mr. F. Brown, Mrs. E. Craig, Mr. L. Craig, Mr. R. Craig, Mr. D. Goode, Mr. B. Jackson, Mrs. J. Snider, Mrs. R. Wenger, J. Baker, P. Lauterborn, K. German, R. Lindstrom, J. Lundberg, M. Murnan.

Quill

This is Quill '67--the story of Wethersfield High School. The Quill staff has endeavored to produce the finest yearbook possible. It is our hope that this book will be meaningful and pleasing to read for years to come. Our purpose is to represent W.H.S. as it is, and to include the events which will provide warm memories in years to come. With this thought in mind, and with some degree of pride, we give you Quill '67.

Quack

The school newspaper reports the activities of the classes and organizations in our school. Informative articles, such as an outline of a major college, a calendar of coming events, and a list of birthdays are included in each issue. The Quack also features a gossip column and other humorous items. The school newspaper is an integral part of life at W.H.S. and the staff of the Quack strives to see that it fulfills its duties.

Although it doesn't contain 76 trombones and 110 cornets, the Wethersfield High School band, marching and concert, is still the largest ever. The 93 member marching band participates in a variety of parades and at all at-home football games. The 107 members of the concert band prepare several concerts during the year in which they present various types of music. The band also participates in the Blackhawk Band Festival and rates 1st in State Music Competition.

The Spirit of Song

This year the choruses are composed of 108 members who use their musical abilities to help make the vocal department at W.H S. one of the best ever. The activities in which the choruses participate are the Christmas assembly, Contest, the Blackhawk Vocal Festival, the Formal Spring Concert, and the Baccalaureate Service. Several groups make up the choral department: boys choir, girls choir, and concert choir. Sixteen members of the concert choir form the Madrigal Singers, who represent the vocal department at various organization programs and civic functions

French Club

In order to create interest in French culture, La Societe des Amis Francais sponsors various types of programs and activities for its 138 members. The Society of French Friends enjoys the movie, "Master of the World," from a book by Jules Verne, a Christmas dance party, and a five-course French dinner. These events, along with some very interesting speakers, are designed to increase enthusiasm in the club and to provide an insight into the lives of the French people.

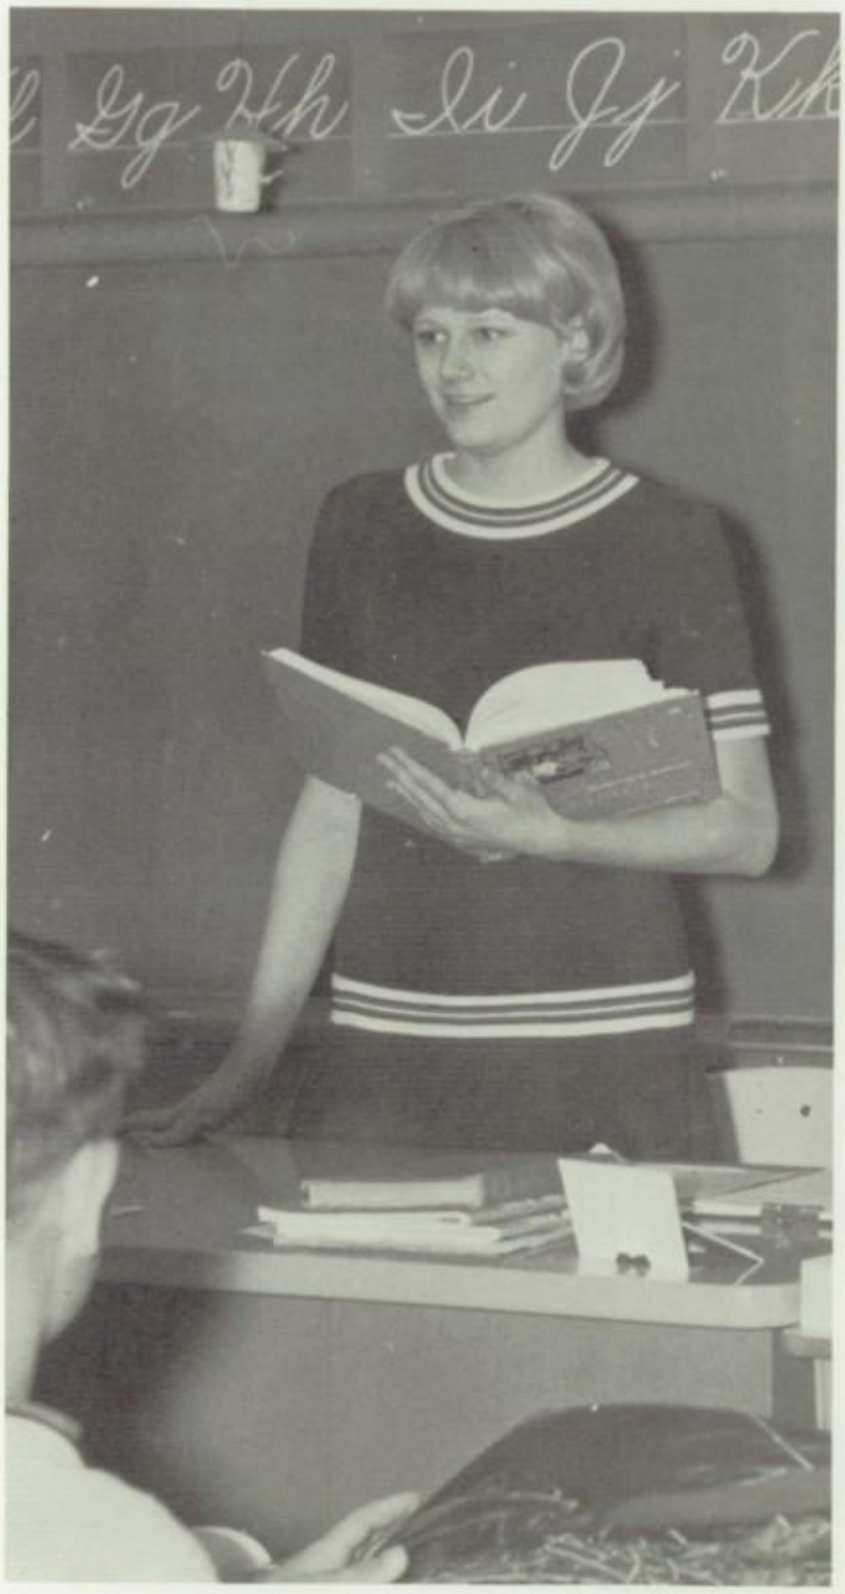
F.T.A.

The purpose of the Myrtle E. Nelson chapter of Future Teachers of America is to guide and instruct those who plan to make a career of teaching. Miss Larrabee, the new sponsor, helps these students to gain experience in this field by promoting student teaching in the elementary grades. These student teachers then report to the entire club on their experiences.

The one activity which the members enjoy most is the Christmas party. One reason for its popularity is that Miss Nelson furnishes generous amounts of homemade candy for the students attending this meeting.



"A new and brighter tomorrow."

Pep Club

One of the biggest organizations at W.H.S. is Pep Club which is comprised of 98 members this year. During the course of the year Pep Club is responsible for presenting the skits at all Pep Assemblies. Also, Pep Club helps to boost school spirit by selling decals, bumper stickers, hats, and Wethersfield Flying Geese license plates. President--T. Swinderman; Vice President --J. Bowers; Secretary--M. Wrestling

This year Wethersfield sports department adds wrestling to the curriculum on an intramural basis. The 127 boys participating practice each day in their physical education classes. A tournament is held in each weight division. These winners wrestle in their divisions before members of the student body. The champions of the school in each weight are declared as follows:

95 lb.	Charles Walker
112 lb.	Bob Horseley
120 lb.	Ron Loibl

The Future Homemakers of America is an organization designed to encourage further study in the field of Home Economics. In conjunction with the First Lady's Beautification Project, the F.H.A. has planted shrubs and flowers around the campus. Future Secretaries of America is an organization of girls who are majoring in business, and who plan to be secretaries. The girls must maintain a "B" average in business subjects, must be taking or have taken typing and shorthand, and must be at least juniors. Professional men and women of the community speak to the group, and trips are taken each year to show the members the opportunities available to them. The Wethersfield officers pictured at right are Pat O'Donnell and Cathy VanHecker.

Library Club

This year the library club has expanded to include students who share duties in both the high school and the new elementary library. They have helped our library have a "new look" by promoting the use of paperbacks, records, and filmstrips. A new department library was organized in the agriculture class by Michael Ouart. The library club is a member of a tri-county organization called D R Y. Robert Horsely is the vice-president of this organization.

Alpha Rho Theta

A new subject at W.H.S. this year is art, and with the addition of this is a new organization, Alpha Rho Theta. In order to support this organization the members offer their talents, for a small fee, to anyone or group that would like to have some art work done.

Students wishing to obtain membership in this organization must maintain a B-average in art, a C-average in other subjects, and earn a set number of points by completing art projects.

Mu Alpha Theta is a national honorary society made up of high school and junior college mathematics students. To qualify for membership, a student must complete five semesters of math with a "B" average in all subjects. Mu Alpha Theta is a comparatively small club, due to the rigid requirements for membership.

N.H.S.

To be inducted into the National Honor Society is a great distinction for any student. The four Senior members and their sponsor, Mrs. Schueneman, greet thirteen Juniors and Seniors this year as they become part of our local chapter of the National Honor Society. These students were selected by the faculty for outstanding qualities in scholarship, leadership, character and service. Each student receives a golden pin to signify his achievement.

Senior Play . . . A Connecticut Yankee in King Arthur's Court

The concept of time travel is manifested in "A Connecticut Yankee in King Arthur's Court." Hank Bennett, mild-mannered electrical engineer, is transported to King Arthur's Court in the year 528 A.D. Through his understanding of natural phenomena and his knowledge of technical complexities, Hank manages to revolutionize the citizens of Camelot.

Louie, At last we made it. Well, we made it. We Centainly Have Had a Lot of fun through the Years. Remember when we used to Bet 2¢ on who would get the better grade on our History test in 7th grade? Little Remember things Like that, is what ILL Remember in the future. Good luck in the Future. God Bless you Debbi MASON '69"

Louie, Can you believe we actually made it? You never thought we would make it, and you're gonna see the day - no, you already are - to your 8th grade graduation. Good luck in the future. Stay out of trouble. God Bless you. Gloria '69

Louie, did you ever think about how much we have kidded around these last few years?!!! We've cut each other down so bad!!! I'll really miss you, I know. If you go to Bradley, I'll see you, okay? Whatever you do in life I bet you make a success of it because you're that kind of person. Make sure you have fun doing it, and don't forget me. — Love, Cindy ☆

Louie
Thanks for all the help you gave me this year. The four years have been full of fun for both of us. Good Luc Lou at Bradley. Go wild with your machine. Your buddy

Louie,
You're so lucky!
I've got two more
wonderful(?) years
to go. Really though
you've been so
sweet to me. I really
appreciate it. You know
some kids think I'm
a little sickening but
really I try not to act
too out of it. At
you went in one
of my study halls
I'd let you help
me with my
math. On forte
I'm so spastic in
math. And you're
so darn smart.
Good luck in
college and take care.

Love

Louie,
Well only 2 more days
this place! But it's
miss it terribly. You're
a swell guy to take care of
yourself & be good!

Stay Sweet,

Louie,

Hi kiddo! I believe we've been friends for 4 years. Can you believe it? Pretty cool, huh? Well, that's about to end. Graduating is a big deal. Some of these memories will be with me forever. Have had some good times & stay in touch. Keep your head up & you're sure to succeed. Good luck & God bless. Always, Dawn

P.S. Don't forget to write me & tell me where you're going to be!

Louie,

It's been fun being in Mr. C's class with you. I'm also glad you made NHS this year. Remember the middle word "Honor". It's the best policy.
